

13 elements being [which are] limited in size so as not to
14 impede the loading of a batch(3) of gloves(1) and [yet]
15 large enough to impede the passage of the glove fingers
16 (1A) from the inside of the box to the plane of the
17 loading opening.

IN THE ABSTRACT:

In the Abstract, at page 14, delete line 18 "Fig.
3 to be published." in its entirety.

REMARKS

This Preliminary Amendment is made to
eliminate informalities in the specification, claims
and abstract resulting from a literal translation of
the French text and to insert headings to conform the
application to U.S. practice.

The present application is believed to be in
condition for examination, which action is earnestly
solicited.

Respectfully submitted,

KERKAM, STOWELL, KONDRACKI
& CLARKE, P.C.
